MAJOR REPAIRS

With what may appear to be impossible of ever being road worthy again the MaxiTRANS service team works hard to get you back on the road. Our MaxiTRANS service centres specialise in a range of repairs including;

- Smash repairs including insurance work
- Major structural repairs, full rebuilds and burnt trailers
- Fibreglass repairs large and small
- Rigid repairs plus new bodies and body swaps
- Tipper repairs and modifications
- Trailer modifications
- General repairs of all types

BEFORE

AFTER

MAXIASSIST

MaxiASSIST is a service offering developed by MaxiTRANS. Providing you with support should you require emergency assistance with your trailer at any time, 24 hours a day, 7 days a week. As well as on-site servicing capability. Backed by the MaxiTRANS network, MaxiASSIST has access to a range of parts to service your trailer and maximise your uptime.

If you're in need of emergency trailer breakdown support, **Call 1300 247 629**

MaxiASSIST PROVIDES;

- Dedicated Servicing and Breakdown MaxiASSIST vehicles
- Vehicles stocked to support multiple trailer types for servicing
- Capable of typical running repairs including welding
- 24/7 trailer breakdown support
- Scheduled on-site servicing capability

Don't own a MaxiTRANS branded trailer? Not a problem, MaxiASSIST will service all brands of commercial trailers and get you back on the road.

MaxiASSIST's scheduled on-site capability includes minor servicing and repairs within greater areas of Sydney, Adelaide and Melbourne, offering increased uptime by allowing you to focus on your core business.

WHY PARTNER WITH MAXITRANS?

- MaxiTRANS is the leading supplier of heavy duty trailers in Australia
- Established Service Network with the capability to service all brands of commercial trailers
- Ability to offer standardised pricing across sites, with a range of repair and maintenance packages
- MaxiTRANS is best equipped to deal with any non-standard repairs with the ability to return a defective trailer back to serviceability in a short period of time
- Direct access to OEM Engineering and Warranty support
- Access to a dedicated Engineer to assist with Whole of Life Asset Management strategies
- MaxiASSIST 24/7 trailer breakdown support
