GROUP

Keep Your Fleet Moving with Freighter Group Parts

The Freighter Group network is here and ready to support all your spare trailer parts needs – helping you keep your trailers on the road and your fleet running smoothly 24/7.

We offer a wide selection of high-quality, genuine spare parts for all Freighter Group OE trailer brands, available now and ready to order. Our range continues to grow, backed by a trusted network of suppliers, so you can easily find the right part without the hassle.

Comprehensive Service Solutions

We understand that uptime is critical to your business operation. That's why Freighter Group delivers a full suite of service capabilities designed to keep your trailers performing at their best.

From routine maintenance to complex repairs, through to 24/7 emergency breakdown support and on-site servicing, our expert technicians and fully equipped national service network are ready to respond quickly – maximising your uptime.

Support when you need it most

FreighterASSIST is a mobile support network providing transport operators with on-site servicing capability and access to 24/7 emergency trailer breakdown support. With FreighterASSIST we are never far away.
